

# TOADFISH® SUMMER '22 NEW PRODUCTS

THESE EXCITING NEW ADDITIONS TO THE TOADFISH RANGE ARE NOW AVAILABLE

## NON-TIPPING CAN COOLER - NEW GREEN COLOUR

The amazing Toadfish Non-Tipping Can Cooler is the first of its kind un-spillable beverage cooler. The innovative SmartGrip technology allows the Can Cooler to stick to any smooth surface. To use simply place the Can Cooler on any smooth surface and it will keep your drink in place and securely upright. Double wall vacuum insulation keeps drinks icy cold to the last sip, and they are made with high grade stainless steel, making them puncture and rust resistant.

## WINE CHILLER

The Toadfish® Wine Chiller is the ultimate wine accessory. Keep your favourite wine at the perfect temperature longer. Double-walled, stainless steel construction keeps your wine, champagne, sparkling water, or other like-size beverage chilled for hours. This thoughtfully crafted single bottle Wine Chiller is condensation-free and does not require ice. Take your iceless chilled wine anywhere with this revolutionary, easy to carry, lightweight, and portable design. We offer both graphite and rose gold wine chillers. The adjustable top fits more bottles, better. Cheers to that!

## SCISSORS & SHEATH

The ultimate pair of scissors have arrived! Introducing Toadfish Scissors, made from high quality stainless steel, the spring-loaded, micro-serrated, sharp blades will cut through seafood, meats & vegetables with ease. The blades also acts as an effective fish descender for quick preparation of your favourite fish species. The ergonomic handle has soft touch rubber grips and an attachment loop for versatility. Available with an optional sheath that can be attached to a belt or suctioned to any flat surface.
