JIGHEAD RANGE

HEADLOCKZ FINESSE

Built on an ultra-sharp, fine wire Gamakatsu hook, these jigheads are ideal for use on light lines and soft drag settings, where good hook penetration is required.

HEADLOCKZ HD

Using a heavy duty Mustad extra sharp hook, the HeadlockZ HD suits use on medium to large fish species, ensuring the power to stop and turn hard fighters.

HOT TIP: PRO-CURE SCENTS

A few drops of Pro-Cure bait scent on your soft plastic adds another bite trigger, that can often mean the difference between a follow and a strike. Made with real ground bait enriched with powerful amino acids and bite stimulants, Pro-Cure comes in a wide variety of scents to suit both fresh and saltwater applications.
